

WHITEWATER COMMUNITY CREDIT UNION ELECTRONIC FUND TRANSFERS AGREEMENT AND DISCLOSURE

This Electronic Fund Transfers Agreement and Disclosure is the contract which covers your and our rights and responsibilities concerning the electronic fund transfers (EFT) services offered to you by Whitewater Community Credit Union ("Credit Union"). In this Agreement, the words "you," "your," and "yours" mean those who sign the application or account card as applicants, joint owners, or any authorized users. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one (1) or more share and share draft accounts you have with the Credit Union. Electronic fund transfers are electronically initiated transfers of money from your account through the EFT services described below. By signing an application or account card for EFT services, signing your card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this Agreement and any amendments to the EFT services offered.

1. EFT SERVICES — If approved, you may conduct any one (1) or more of the EFT services offered by the Credit Union.

a. ATM Card. If approved, you may use your card and personal identification number (PIN) in automated teller machines (ATMs) of the Credit Union, STAR and Pulse networks, and such other machines or facilities as the Credit Union may designate. At the present time, you may use your card to:

- Make deposits to your share and share draft accounts.
- Withdraw funds from your share and share draft accounts.
- Transfer funds from your share and share draft accounts.
- Obtain balance information for your share and share draft accounts.
- Make point-of-sale (POS) transactions with your card and personal identification number (PIN) to purchase goods or services at POS terminals that carry STAR and Pulse network logos(s).

The following limitations on the frequency and amount of ATM transactions may apply:

- You may withdraw up to a maximum of \$200.00 in any one (1) day, if there are sufficient funds in your account.
- You may purchase up to a maximum of \$200.00 from POS terminals per day, if there are sufficient funds in your account.
- For security purposes, there are other limits on the frequency and amount of transfers available at ATMs.
- You may transfer up to the available balance in your accounts at the time of the transfer.
- See Section 2 for transfer limitations that may apply to these transactions.

Because of the servicing schedule and processing time required in ATM operations, there may be a delay between the time a deposit (either cash or check) is made and when it will be available for withdrawal.

b. MasterCard Debit Card. If approved, you may use your card to purchase goods and services from participating merchants. However, you may not use your card to initiate any type of electronic gambling transactions through the internet. If you wish to pay for goods or services over the internet, you may be required to provide card number security information before you will be permitted to complete the transaction. You agree that you will not use your card for any transaction that is illegal under applicable federal, state, or local law. Funds to cover your card purchases will be deducted from your share draft account. If the balance in your account is not sufficient to pay the transaction amount, the Credit Union will pay the amount and treat the transaction as a request to transfer funds from other deposit accounts, approved overdraft protection accounts or loan accounts that you have established with the Credit Union. If you initiate a transaction that overdraws your account, you agree to make immediate payment of any overdrafts together with the service charges to the Credit Union. In the event of repeated overdrafts, the Credit Union may terminate all services under this Agreement. You may use your card and personal identification number (PIN) in ATMs of the Credit Union, STAR and Pulse networks, and such other machines or facilities as the Credit Union may designate. At the present time, you may also use your card to:

- Make deposits to your share and share draft accounts.
- Withdraw funds from your share and share draft accounts.
- Transfer funds from your share and share draft accounts.
- Obtain balance information for your share and share draft accounts.
- Make point-of-sale (POS) transactions with your card and personal identification number (PIN) to purchase goods or services at merchants that accept MasterCard.
- Order goods or services by mail or telephone from places that accept MasterCard.

The following limitations on the frequency and amount of MasterCard Debit Card transactions may apply:

- Purchase amounts are limited to the amount in your account.
- You may purchase up to a maximum of \$1,200.00 per debit card purchase.
- You may withdraw up to a maximum of \$500.00 in any one (1) day from an ATM machine, if there are sufficient funds in your account.
- For security purposes, there are other limits on the frequency and amount of transfers available at ATMs.
- You may transfer up to the available balance in your accounts at the time of the transfer.
- See Section 2 for transfer limitations that may apply to these transactions.

c. Touch Tone Teller. If we approve Touch Tone Teller for your accounts, a separate personal identification number (PIN) will be assigned to you. You must use your personal identification number (PIN) along with your account number to access your accounts. At the present time, you may use Touch Tone Teller to:

- Transfer funds from your share and share draft accounts.
- Obtain balance information for your share, share draft, loan, and certificate accounts.
- Make loan payments from your share and share draft accounts.
- Determine if a particular item has cleared.
- Verify the last date and amount of your payroll deposit.

Your accounts can be accessed under Touch Tone Teller via a touch-tone telephone only. Touch Tone Teller service will be available for your convenience 24 hours per day. This service may be interrupted for a short time each day for data processing.

- There is no limit to the number of inquiries, transfers, or withdrawal requests you may make in any one (1) day.
- See Section 2 for transfer limitations that may apply to these transactions.

The Credit Union reserves the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. The Credit Union may set other limits on the amount of any transaction, and you will be notified of those limits. The Credit Union may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction and there may be limits on the duration of each telephone call.

d. Preauthorized EFTs.

Direct Deposit. Upon instruction of (i) your employer, (ii) the Treasury Department or (iii) other financial institutions, the Credit Union will accept direct deposits of your paycheck or federal recurring payments, such as Social Security, to your any account.

Preauthorized Debits. Upon instruction, we will pay certain recurring transactions from your share and share draft accounts.

See Section 2 for transfer limitations that may apply to these transactions.

Stop Payment Rights. If you have arranged in advance to make regular electronic fund transfers out of your account(s) for money you owe others, you may stop payment on preauthorized transfers from your account. You must notify us orally or in writing at any time up to three (3) business days before the scheduled date of the transfer. We may require written confirmation of the stop payment order to be made within 14 days of any oral notification. If we do not receive the written confirmation, the oral stop payment order shall cease to be binding 14 days after it has been made.

Notice of Varying Amounts. If these regular payments may vary in amount, the person you are going to pay is required to tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

Liability for Failure to Stop Payment of Preauthorized Transfers. If you order us to stop payment of a preauthorized transfer three (3) business days or more before the transfer is scheduled and we do not do so, we will be liable for your losses or damages.

Electronic Check Conversion/Electronic Returned Check Fees. If you pay for purchases or bills with a check or draft, you may authorize your check or draft to be converted to an electronic fund transfer. You may also authorize merchants or other payees to electronically debit your account for returned check fees. You are considered to have authorized these electronic fund transfers if you complete the transaction after being told (orally or by a notice posted or sent to you) that the transfer may be processed electronically or if you sign a written authorization.

Online Banking. If we approve Online Banking for your accounts, a separate personal identification number (PIN) will be assigned to you. You must use your personal identification number (PIN) along with your account number to access your accounts. At the present time, you may use Online Banking to:

- Withdraw funds from your share and share draft accounts.
- Transfer funds from your share and share draft accounts.
- Obtain balance information for your share, share draft, loan, Club, and certificate accounts.
- Make loan payments from your share and share draft accounts.
- Determine if a particular item has cleared.
- Verify the last date and amount of your payroll deposit.

Your accounts can be accessed under Online Banking via personal computer. Online Banking will be available for your convenience 24 hours per day. This service may be interrupted for a short time each day for data processing. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. All checks are payable to you as a primary member and will be mailed to your address of record. We may set other limits on the amount of any transaction, and you will be notified of those limits. We may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction and there may be limits on the duration of each access.

- There is no limit to the number of inquiries, transfers, or withdrawal requests you may make in any one (1) day.
- See Section 2 for transfer limitations that may apply to these transactions.

2. TRANSFER LIMITATIONS — For all share accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed.

3. CONDITIONS OF EFT SERVICES

a. Ownership of Cards. Any card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the card, immediately according to instructions. The card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer your card or account to another person.

b. Honoring the Card. Neither we nor merchants authorized to honor the card will be responsible for the failure or refusal to honor the card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.

c. Foreign Transactions.

MasterCard. Purchases and cash withdrawals made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate used to convert foreign currency transactions to U.S. dollars is either a government-mandated exchange rate or a wholesale exchange rate and is selected by MasterCard. The rate MasterCard uses for a particular transaction is the rate MasterCard selects for the applicable currency on the day the transaction is processed. This rate may differ from the rate applicable on the date the transaction occurred or was posted to your account.

A fee of up to 1.00% will be charged on all transactions completed in a foreign currency. All fees are calculated based on the transaction amount after it is converted to U.S. dollars. These fees are charged except where excluded.

d. Security of Access Code. You may use one (1) or more access codes with your electronic fund transfers. The access codes issued to you are for your security purposes. Any access codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the card. You are responsible for safeguarding your access codes. You agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your accounts. If you authorize anyone to use your access codes, that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that any joint owner you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and the Credit Union suffers a loss, we may terminate your EFT services immediately.

e. Joint Accounts. If any of your accounts accessed under this Agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this Agreement and, alone and together, shall be responsible for all EFT transactions to or from any share and share draft or loan accounts as provided in this Agreement. Each joint account owner, without the consent of any other account owner, may, and is hereby authorized by every other joint account owner, make any transaction permitted under this Agreement. Each joint account owner is authorized to act for the other account owners, and the Credit Union may accept orders and instructions regarding any EFT transaction on any account from any joint account owner.
